FED ON CAKE!

Forty Thousand People to be Fed Free!

THE Largest Cake in the World

Is Now Being Cut and Served at The Boston Grocery.

Cash Prizes to Guessers.

The MAMMOTH CAKE is on exhibit this week at our store.

This CAKE is a marvel in size and beauty.

It was decorated by an artist in Cake making and is fit for a queen's wedding. Thousands came yesterday to see it, and the tens of thousands who will come this week will never forget the Mountain of Cake, topped by the banner, reading

"Swift's Cotosnet Did It."

A slice of the Cake is served free to everyone who comes, and young ladies will register your guesses on the Cake. Twelve CASH PRIZES will be given by SWIFT & COMPANY to the twelve ladies guessing nearest the weight of the Cake.

The Prizes will be awarded at the end of exhibit. There is not an ounce of butter in this Cake. It was shortened with "SWIFT'S COTOSNET" to show the people of New Haven that Cotosnet will make better Cake than butter, and it costs one-third less.

Don't miss seeing the BIG CAKE at

HYPERION.

Manager Charles Frohman's latest comedy acquisition, "The Foundling," which enjoyed a run of over 200 nights at Hoyt's theater, New York, last season, will be seen here for the first time Friday night at the Hyperion theater, for a two nights' engagement. It is now on its first tour throughout the country, and will be presented here with the same cast of players that made such a great success of it in the metropolis. It is by William Lestock and E. M. Robson. Mr. Lestock wrote the still popular "Jane," which had such a long and prosperous run. Miss Fitzgerald has the role of a music hall artist in the play, and besides playing this will introduce at an opportune moment her thrilling skirt dance. Clay Fitzgerald's wink rivals her dance. Sale of seats opens this morning.

Mr. Robert Mantell will be at the Hyperion on Monday evening next. He will present his elaborate production of "The Marble Heart."

GRAND OPERA HOUSE.

Flynn & Sheridan's City Sports was attended by a very large audience yesterday afternoon and evening. The principal feature is the Nelson family in their great act. They are foremost in their line on the stage to-day. Among the other principals are William Hall, descriptive vocalist; Sally Smith and Mamie Champion in comic songs and dances; Alice and Mamie Daly in pleasing songs and dances; James Caranelli and Mlle Lucille, a musical team of excellent merit; Mackie and Walker, vocalists and mimics. The performance closes with an excellent olio, called "A Hot Night." The performance will be repeated this afternoon and evening. Matinee prices, 10c, 20c and 25c.

"Old Glory," a new naval drama from the pen of Charles T. Vincent and William A. Brady, will be given the last three nights this week. The ensemble showed upon this production last year in Boston and elsewhere is conclusive proof of its success as a patriotic drama. With "Old Glory" is combined artistic acting, patriotism and a production from a scenic point of view which has been seldom equaled in this country. "Old Glory" is written around an incident which has now become a part of our country's history, the threatened war between America and Chili some years ago, which was only averted by the diplomatic energy and force shown by the then secretary of state, James G. Blaine. No expense has been spared to make this production an artistic and historical one from every point of view, and it is expected that all true Americans will vie with each other in pronouncing "Old Glory" an American success.

Matinee Friday and Saturday. Prices 10c, 20c and 25c.

POLI'S WONDERLAND THEATER.

Adolph Popper, with his marvelous collection of white rats, pleases everyone. It is, indeed, a most extraordinary novelty to see how docile the rats become when Mr. Popper plays a few bars on his flute, and when he takes them all in his arms at the close of his playing, with the squirming mass squealing with delight, the effect is very picturesque. Mr. and Miss Lawrence introduce a striking novelty also in their condensed version of Goethe's "Faust," the shower of fire and the electrical flower bed and cross being intensely beautiful. Others on the bill who are great entertainers are Frank Moran, Mr. Canfield, and Miss Carleton, the Lamoyne brothers, Lester and Mervyn, Lew Randall and the Clayton sisters. Performances every afternoon and evening, and ladies admitted afternoons to all parts of the house for 16 cents; evening prices for all, 10c, 15c and 20c.

Admitted to Bail.

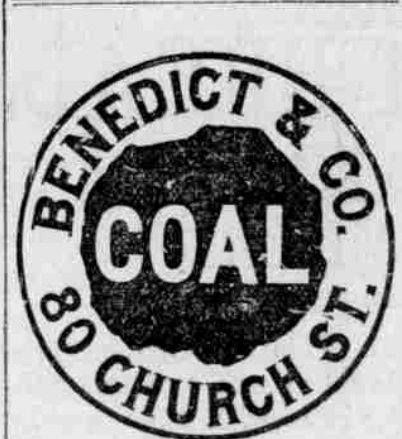

Washington, Oct. 1.—Captain Howgate was this afternoon admitted to bail pending the action of the court of appeals upon his appeal from the judgment of the criminal court of the district sentencing him to a term of imprisonment for crimes committed while acting as disbursing officer of the signal service. The order directing that this be done was enrolled this afternoon.
